

## STANDARD EXPERIMENT

### CONFIDENTIAL REPORT

<b>Experiment title:</b> Structural and chemical characterization of small alloy an ceramic reaction products recovered from high pressures and temperatures.	<b>Experiment number:</b> <b>CH-6365</b>
<b>Main-Proposer :</b> George SERGHIOU	
<b>Beamline and dates of experiment :</b> ID11, 22/11/2022 to 25/11/2022.	

A confidential report was submitted for this experiment; it was sent to the User Office on 27/02/2023.
