

STANDARD EXPERIMENT

CONFIDENTIAL REPORT

Experiment title: Phase Transition in Hemimorphite Under High Pressure by Applying Experimental Quantitative Charge Density Studies.	Experiment number: ES-1296
Main-Proposer : Krzysztof Wozniak	
Beamline and dates of experiment : ID27, 29/03/2023 to 31/03/2023.	

A confidential report was submitted for this experiment; it was sent to the User Office on 11/09/2023.
