

LONG TERM PROJECT (LTP) EXPERIMENT

INTERIM REPORT

Experiment title: Design, construction and commissioning of a diffractometer optimized for the observation of diffuse scattering, DS@ID28	Experiment number: HC-1428
Main-Proposer : Bjoern WINKLER	
Beamline and dates of experiment : ID28	
24/06/2015	30/06/2015
17/02/2016	23/02/2016
20/07/2016	26/07/2016
15/02/2017	21/02/2017
15/11/2017	21/11/2017
27/03/2018	02/04/2018

A confidential report was submitted for this experiment; it was sent to the User Office 6 February 2018.
