

	Experiment title: Crystallization of poly(butylene-2,6-naphthalate) copolymers at large undercoolings	Experiment number: SC4310
Beamline: ID13	Date of experiment: from: 15/07/2016 to: 18/07/2016	Date of report: 10/03/2023
Shifts: 9	Local contact(s): Daniel Hermida Merino	<i>Received at ESRF:</i>
Names and affiliations of applicants (* indicates experimentalists): Dario Cavallo, ¹ Bart Goderis ² ¹ University of Genoa, Italy ² University of Leuven, Belgium		

Report:

The experiments were unsuccessful due to problems with the stage (Flash DSC) and the signal was not good enough to get meaningful data.
