Experiment title:

Kinetic crystallographic studies on light induced structural changes in photosynthetic reaction centers

Experiment number:

LS 557

Beamline:

BL3

Date of Experiment:

from: 14.12. to: 16.12.96

Date of Report:

Shifts:

6

Local contact(s):

Friedrich Schotte

Received at ESRF :

513197

Names and affiliations of applicants (*indicates experimentalists):
