CONFIDENTIAL REPORT

Experiment title: Aligning macromolecular, structural and processing time-scales in fused deposition modelling via combined time-resolved WAXD-DSC	Experiment number: 26-02-845
Main-Proposer : Jules Harings	
Beamline and dates of experiment : BM26B : 31/01/2018 - 03/02/2018	

A confidential report was submitted for this experiment; it was sent to the CRG Office on 13/04/2018.
