

**STANDARD EXPERIMENT**

**CONFIDENTIAL REPORT**

<b>Experiment title:</b> Chemistry of arsenic and nitrogen under extreme conditions: from the As-N bond formation to the synthesis of layered structures.	<b>Experiment number:</b> CH-5987
<b>Main-Proposer :</b> Matteo Ceppatelli	
<b>Beamline and dates of experiment :</b> ID15B from 07/04/2021 to 10/04/2021	

A confidential report was submitted for this experiment; it was sent to the User Office on 12/09/2021.
