

STANDARD EXPERIMENT

CONFIDENTIAL REPORT

Experiment title: Magnetic phase diagram and possible high-spin to low-spin transition in the negative charge-transfer gap insulator Sr ₂ FeO ₄ at high pressure	Experiment number: HC-4728
Main-Proposer : Peter ADLER	
Beamline and dates of experiment : ID18, 19/01/2022 to 24/01/2022	

A confidential report was submitted for this experiment; it was sent to the User Office on 28 August 2023.
